### **PharmaNutra S.p.A.**

*Founded and led by the President Andrea Lacorte and Vice President Roberto Lacorte, PharmaNutra was established in 2003. It develops unique nutritional supplements and innovative nutritional devices, handling the entire production process, from proprietary raw materials to finished product. The efficacy of the products has been demonstrated by numerous clinical studies, 79 of them published and with more than 6000 subjects treated with the supplements. The Group distributes and sells its products in Italy and abroad. In Italy, products are sold through a network of 180 Pharmaceutical Representatives serving doctors and also exclusively selling PharmaNutra products to pharmacies throughout Italy. Products are sold in over 70 countries abroad, through 35 partners selected from among the finest pharmaceutical companies. PharmaNutra leads the market in the production of iron-based nutritional supplements under the SiderAL brand, where it boasts a number of important patents on sucrosomial technology. Over the years, the Group has developed a precise strategy for the management and production of intellectual property, founded on the integrated management of all the various elements: proprietary raw materials, patents, brands and clinical evidence. <http://www.PharmaNutra.it>*
