PharmaNutra S.p.A.

Founded and led by the President Andrea Lacorte and Vice President Roberto Lacorte, PharmaNutra was established in 2003. It develops unique nutritional supplements and innovative nutritional devices, handling the entire production process, from proprietary raw materials to finished product. The effectiveness of its products is documented by considerable scientific proof. The Group distributes and sells its products in Italy and abroad. In Italy, products are sold through a network of approximately 130 Pharmaceutical Representatives serving doctors and also exclusively selling PharmaNutra products to pharmacies throughout Italy. Products are sold in 50 countries abroad, through 32 partners selected from among the finest pharmaceutical companies. Over the years, PharmaNutra has stood out in the production of iron-based nutritional supplements with the trademark SiderAL®, where it can claim important Sucrosomial Technology® patents. The Group has developed a precise strategy for the management and production of intellectual property, founded on the integrated management of all the various elements: proprietary raw materials, patents, brands and clinical evidence.
