REVENUES

Consolidated revenues accounted for € 82,7 million with an increase of 21% compared to the same period of the previous year. The increase is due to the growth in sales volume and sale prices.

OPERATING EXPENSES

Increase in Revenues has been accompanied by a physiological increase in operating expenses such as productions cost, commercial expenses, due to higher commissions on sales as a result of the increase in sales volumes, and marketing expenses, bearing in mind that 2021 marketing activities have been affected from the restrictions imposed by the Covid-19 pandemic.

TAXES

Current taxes

2021 Current taxes are net of € 457k for the tax benefit obtained on the costs incurred for translisting to the MTA market.

2022 Current taxes include the accrual of € 1,4 million to the Tax provision following the cooperative compliance institution with the local Revenue Agency relating to the tax periods from 2016 to 2021.

Trade Receivables

The increase in trade receivables is due to higher revenues

Other Receivables/Other Payables

The other payables refers to the accounting of the current taxes related to the period. The Increase in other receivables is due to the accounting of deferred costs and to the VAT credit accrued on the advancement of the construction costs of the new headquarter.

Tangible Assets

The increase in Tangible assets is due to the progress of construction works for the new headquarter.

Business Combination

The increase in Intangible assets derives from the recognition of the goodwill (€ 13,7 million) emerging from the Akern's consolidation process. The purchase price includes Euro 3 million referred to the Earn Out accrued in other L/T liabilities on the basis of the result of the impairment test performed on Akern's provisional business plan.

Non current Financial Liabilities

Two M/L-term loans for a total of € 12 million were granted to cover the costs of the acquisition of Akern S.r.l.

CONSOLIDATED CASH FLOW

CASH FROM OPERATING ACTIVITIES

Change in operating working capital

Increase in trade receivables due to higher revenues and sales volumes.
Increase in inventories for the implementation of purchasing strategies.
Increase in account payables due to the greater production needs driven by the increase in sales.

Change in other assets/liabilities

Increase in other receivables due to the accounting of deferred costs related to marketing activities whose competence extends beyond 31 december 2022 and to the VAT credit accrued on the advancement of the construction costs of the new headquarter.

CASH FROM INVESTING ACTIVITIES

Capex

The increase refers mainly to the progress of construction works for the new headquarter and to the accounting of intangibles and other capex during the period.
Other non current assets are referred to the insurance policy for TFM payments

Net Cash Flow from Business Combination

The net Cash flow of € 11,3 million represent the effects of the acquisition of the 100% of Akern's share capital: amount paid for the acquisition (€ 12 million) net of cash and cash equivalents acquired (€ 0,7 million).

CASH FROM FINANCING ACTIVITIES

The increase in financial liabilities is due to the M/L-term loans for a total amount of € 12 million granted to cover the acquisition of Akern S.r.l.

NET FINANCIAL POSITION

NFP

The Net Financial Position at 31.12.2022 accounted for € 10,6 million. The decrease compared to 31.12.2021 is mainly due to the acquisition of Akern (€ 11,3 million), to capital expenditures related to the construction of the new Headquarter and other operating capex (€ 10,7 million), to the purchases of treasury shares (€ 2,4 million) and to the dividend distribution (€ 6,9 million). The Group confirms its strong capacity of generating cash from operating activities (€ 14 million).
