

Cetilar® Oro

Food supplement based of cetylated acid preparation (CFAs) with sweeteners

20 SACHETS of 10ml

Directions: CETILAR® ORO is a food supplement based on cetylated fatty acid preparation (CFA), consisting mainly of a mixture of cetylated myristic acid and cetylated oleic acid synthesized from cetyl alcohol, myristic acid and oleic acid and, to a lesser extent, other fatty acids and other olive oil compounds.

Ingredients: Purified water; stabilizer: glycerol; Lipocet® (preparation of cetylated fatty acids); sucrose esters of fatty acids; flavours; thickener: xanthan gum; preservatives: potassium sorbate, sodium benzoate; acidifier: citric acid; anti-oxidant: rosemary extracts; sweetener: sucralose. **Gluten Free. Lactose free.**

How to use: We recommend taking 1 – 2 sachets a day to be taken directly in the mouth.

Warnings: Food supplements are not intended as a substitute for a varied, balanced diet and a healthy lifestyle. Do not exceed the recommended daily dose. Keep out of reach of children under three years of age. Excessive consumption can have laxative effects.

Mean Contents	Per 100ml	Per daily dose (2 sachets)
Preparation of cetylated fatty acids	8,00 g	1,60 g

Shelf-life: 24 months.

Storage: Store the product at room temperature in a cool, dry place away from light and localized heat sources. The validity date refers to the product correctly stored, in unopened packaging.
