

UltraMag®

FOOD SUPPLEMENT

with Sucrosomial® Magnesium with sweeteners

20 sachets Net Weight 80 g 

UltraMag® is a food supplement with Sucrosomial® Magnesium useful to cover dietary deficiencies or an increased demand for said nutrient. Magnesium contributes to reduce tiredness and fatigue, to the maintenance of electrolyte balance, to normal energy metabolism, to normal functioning of the nervous system, to normal muscle function, to normal protein synthesis, to normal psychological function and to maintain regular bones and teeth.

Ingredients: Maltodextrins, UltraMag® - Sucrosomial® Magnesium (magnesium oxide, pregelatinised rice starch, sucrose esters of fatty acids, sunflower lecithin, tricalcium phosphate, rice flour); acidifying agent: citric acid; thickening agents: arabic gum, xanthan gum; flavour; emulsifier: sucrose esters of fatty acids; sweeteners: sucralose, acesulfame K; colouring agent: beta-carotene. Gluten Free.

Warnings: Store at room temperature (do not exceed 25°C); avoid exposure to localised heat sources, direct sunlight and contact with water. The expiry date refers to the product unopened and properly stored. Keep out of the reach of children under 3 years of age. Do not exceed the recommended daily dose. Food supplements must not be considered a substitute for a varied, balanced diet and a healthy lifestyle.

Mean Contents

	Per daily dose	%NRVs
Magnesium	375 mg	100%

%NRVs = Nutrient Reference Values

Directions: Advised dosage is 1 sachet a day. Pour the contents of the sachet in a glass of water, stir until well dispersed and take it immediately.
